Bloody Mary Mix

The Three Bar Mix Co. was founded by Patt Duynslager, Robere Kazadi and Leland Smyth in 2014.

Three Bar Mix Co. acquired a secret 80 year old recipe from Diamond Lil's Bar in Idaho City, Idaho. This delicious mix has been pleasing locals and visitors for decades in Idaho City and they decided that it was time for the rest of the world to experience the "butt kickin'" taste.

Three Bar Mix Co. produces micro batches of the mix in Meridian Idaho at their state of the art bottling facility. The mix contains the freshest ingredients and is delicious right out of the bottle. Unlike many of our competitors, Three Bar Bloody Mary mix does not need to be "doctored up" as it already contains all the ingredients that one would expect when ordering a premium Bloody Mary from a bartender. Simply add vodka or tequila and enjoy this tasty beverage.

Three Bar Mix Co. is poised, ready and able to meet the needs of our retail partners. The product is shipped by the case, a case contains 12-32oz. bottles (**bottles measure 10" tall by 2.5" wide**). Each bottle is individually shrink wrapped to insure product safety and freshness. We also offer a six pack of 4oz. mini bottles. Each six pack is shrink wrapped to insure safety and freshness.
